So weak Password!!!

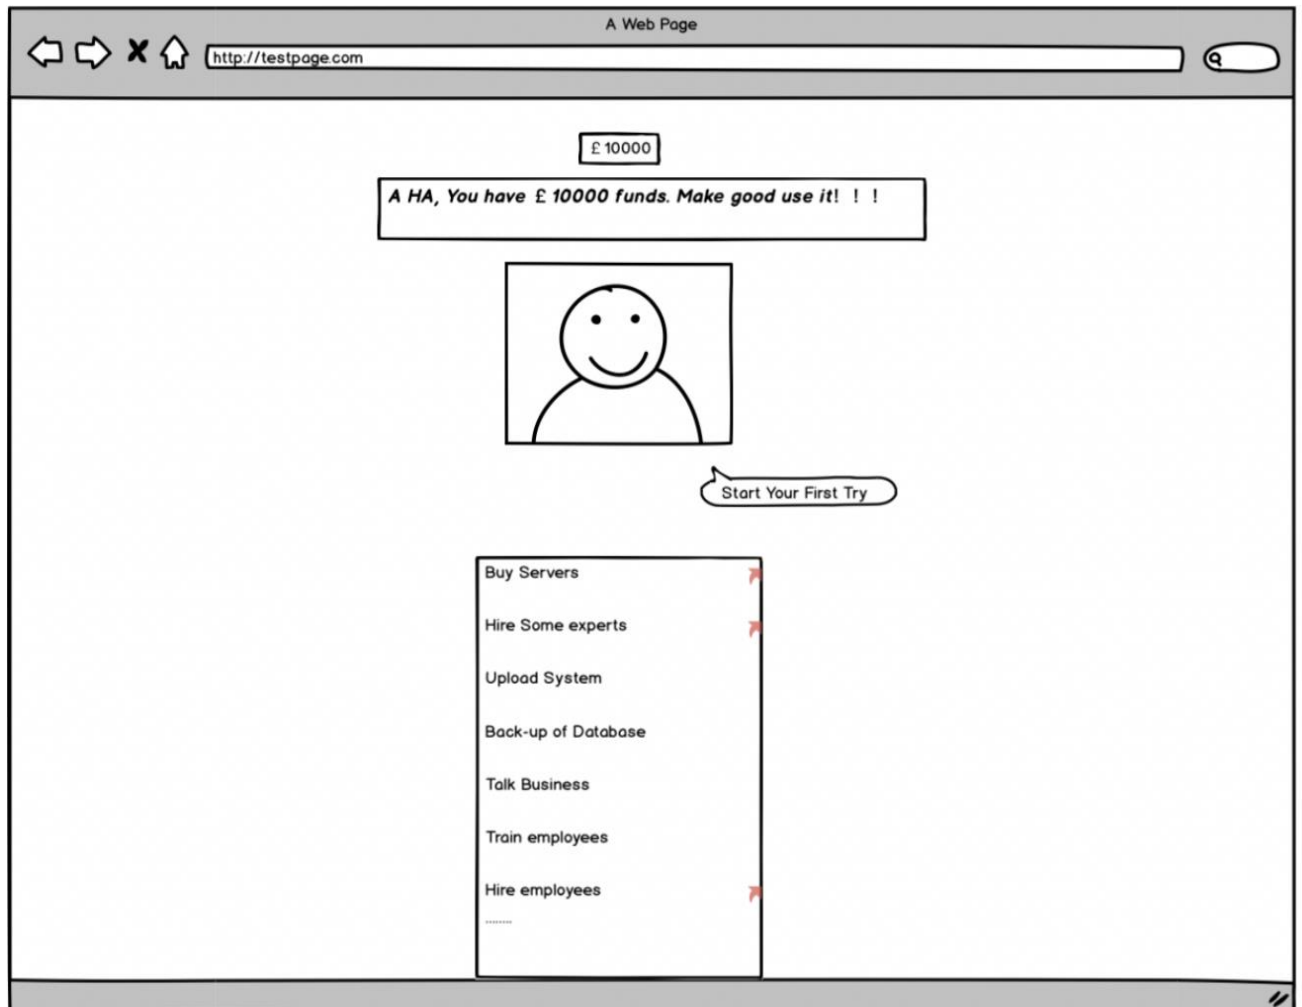

Reset: interface

A hand-drawn web browser window titled "A Web Page". The address bar shows "http://testpage.com". The main content area contains a registration form with the following elements:

- A pink-bordered box containing the text "Do you want to be a second Jack Ma?" and "Join us!!!".
- Labels "username" and "password" next to input fields.
- A "confirm" button.

```
graph TD; subgraph Browser [A Web Page]; direction TB; subgraph Header; direction LR; Icons[Back, Forward, Stop, Home]; AddressBar[http://testpage.com]; Search[Search]; end; subgraph Content; subgraph Box [ ]; direction TB; Text1[Do you want to be a second Jack Ma?]; Text2[Join us!!!]; end; subgraph Form; direction TB; Username[username: ]; Password[password: ]; Confirm[confirm]; end; end; end;
```
